The Chicken Shed is situated at the head of a private lane, standing in gardens and grounds of about 0.909 of an acre.

Formerly part of Hemmings Farm, which was last sold in 1997, the original barn dated back to the 1960s and was separated from the main farmhouse circa 2016. The current property boasts spacious, well appointed accommodation, all on one level, with many outstanding features. No expense has been spared in creating a superb home.

The property is connected to mains water and electricity, with a private drainage treatment plant, LPG heating and oak internal fire doors throughout.

Jubilee Hill is about 3 miles from Verwood, and about 9 miles from Wimborne. The coastal towns of Poole and Bournemouth, both of which have mainline rail links to London Waterloo, are within about 30 minutes' drive.

The entrance hallway has a porcelain tiled floor and a coat hanging area, and leads to a cloak-room with a bespoke Chadder & Co high level nickel WC and an oak vanity unit with ceramic basin. There is a utility room with high vaulted ceiling, scalloped marble work surfaces, butler's sink and space for white goods.

The magnificent kitchen/dining/family area features a high vaulted ceiling (with Velux rooflights), a porcelain tiled floor and brushed aluminium bi-folding doors to outside. It has an excellent range of work surfaces and bespoke hand-painted units by Tony Smith Kitchens, an island unit and a 1.5 bowl scalloped-edge Blanco sink. Neff appliances include 2 convection ovens, 1 steam oven, microwave/grill, induction hob with wok burner and griddle, extractor and integrated dishwasher, and

there is an integrated Samsung fridge-freezer.

A walkway leads to an impressive living room with high vaulted ceiling, 4 Velux rooflights, double doors to outside, and a wood burner effect gas stove on a slate hearth.

An inner hall gives access to the principal bedroom which has an excellent range of hand-painted floor-to-ceiling wardrobes with drawers beneath, a dressing table, and a superb en suite shower room (with walk-in double shower, twin ceramic basins with drawers beneath, WC, towel radiator and black Porcelanosa tiles.)

Bedroom 2 is a large double room with vaulted ceiling, Velux rooflight, and hand-painted floor-to-ceiling wardrobes with drawers beneath.

Bedroom 3, a double room overlooking the gardens, with vaulted ceiling and Velux rooflight.

DISCLAIMER:

Winkworth wishes to inform prospective buyers that these particulars are a guide and act as information only. All our details are given in good faith and believed to be correct at the time of issue but they don't form part of an offer or contract. No Winkworth employee has authority to make or give any representation or warranty in relation to this property. All fixtures and fittings, whether fitted or not are deemed removable by the vendor unless stated otherwise and room sizes are measured between internal wall surfaces, including furnishings.

The family bath/shower room comprises double-ended bath, shower cubicle, wash basin on a chrome stand, high level WC, ceramic tiled floor and Velux rooflight.

From New Road, an unmade lane leads to the property. A paved entrance with a 5-bar gate gives access to a large gravelled driveway with space for multiple vehicles.

An oak-framed integral carport (with bonded gravel floor) leads to a former garage with high timber double doors, a shower room (with large walk-in shower, and sink with cupboards under), and doors to a plant room and a store room.

There is a beautifully appointed detached timber cabin which is currently used for Airbnb, with double glazed entrance doors, bed/sitting room, kitchen area (with gabled ceiling, worktop, sink, cupboards and drawers) and en suite cloakroom (with WC and wash basin.)

Sleepers retain a planted area, and double gates lead to a shingle terrace with a large gazebo and space for hot tub. The main landscaped area is laid to grass, enclosed by post-and-rail fencing and backs onto a woodland area. To the west side of the site there is another area of grass backing onto a lane, housing the LPG surface tank.

Directions: From Wimborne, proceed north on the B3078 towards Cranborne. At the Horton Inn, turn right and proceed into the village of Horton. Turn left, signposted to Haythorne and Woodlands. At the crossroads, turn right towards Woodlands. Proceed past the village hall (on the left) and take the second turning on the right, into New Road. At the end, bear left through a 5-bar gate into the property.
