Substantial, attractive and well presented detached family home

This substantial and beautifully presented property, circa 2375 sq. ft, has plenty of versatile spaces - perfect for creating a dream family home and is in catchment of Western Primary School and Westgate Lower and Upper Schools as well as very handily placed to reach the mainline Railway Station.

A large entrance hall provides ample room for coats and shoes and then leads on through to the inner hallway which leads to the downstairs accommodation including a downstairs WC. Positioned at the front of the property is a snug/playroom while to the rear on one side, the sitting room has a lovely feature wood burner and bi-fold doors that lead out to the raised patio. Located off of the sitting room is a well-appointed study which offers a perfect space for those who work from home. Adjacent to the sitting room is the beautiful and generous kitchen/dining room with modern base and eye level units providing plenty of storage together with integrated appliances such as microwave, dishwasher, washing machine and also a range cooker. Bi-fold doors provide access out to the raised garden patio which is a fantastic space for relaxing or entertaining guests. From the kitchen, stairs lead down to the lower ground floor at garden level, which is a wonderfully versatile space variously used as a family room or games room over the years. It is a great space to gather as a family or for teenagers to have their own space and there is a storage room at one end. Several double doors open out to the garden, giving a seamless flow between indoors and outdoors.

Stairs from the central hallway lead up to the first floor where there are four bedrooms. Bedroom one is a great size and enjoys a contemporary four piece en-suite. A smart family bathroom with bath and shower over completes this level.

To the rear, the lovely garden is mainly laid to lawn and there is a patio area with steps leading up to the raised garden patio. Two sheds provide plenty of storage. To the front of the property there is a driveway providing off road parking for two cars that leads to the garage with electric door, while a pedestrian pathway provides side access.
