Smart Semi-Detached Home in Sought After St Cross

A well-presented semi-detached house in the sought-after area of St Cross, the property is wonderfully bright courtesy of an abundance of natural light, which is complemented by a pleasing neutral décor.

The welcoming entrance hall is laid with beautiful engineered oak flooring which flows throughout the ground floor. To one side is the contemporary kitchen which is well appointed with attractive quartz worktops and fitted units providing ample cupboard space. Integrated appliances including oven, grill and hob, as well as space for free standing appliances. To the rear is the bright, open plan sitting/dining room with double doors out to the garden and a useful understairs storage cupboard. A smart downstairs WC completes the accommodation on this floor.

Stairs rise to the first floor where two double bedrooms lead from the central landing, both of which have built-in wardrobes. The modern, fully tiled bathroom is perfectly positioned between both bedrooms.

Outside to the front of the house there is off street parking for two cars. The well-tended front garden is mainly laid to lawn with a short flight of steps leading to the front door. The good-sized rear garden has been recently landscaped and is arranged in two sections; directly outside the rear of the property is a split-level patio area – perfect for outside entertaining. A short flight of steps leads to a tiered area of lawn and shingle with a fully insulated home office to the rear, equipped with light and power.
