DESCRIPTION:

A beautifully presented semi-detached cottage, boasting a light and modern interior, located just a short stroll from open spaces, playing fields, shopping amenities, and an excellent selection of eateries on nearby Green Lanes and Winchmore Hill Broadway.

Originally a two-bedroom home, the property has been meticulously remodelled by the current owner, incorporating thoughtfully designed features to create a more luxurious feel. The ground floor boasts an impressive reception room featuring a bay window with fitted shutters and a gas fireplace, while bespoke understairs carpentry provides useful additional storage. An opening leads through to a stunning eat-in kitchen, fitted with a range of handleless wall and base units and integrated appliances. This space is enhanced by a skylight and bifold doors that flood the room with natural light and open out to a patio - ideal for entertaining both indoors and al fresco. The ground floor also benefits from a stylish and practical shower room.

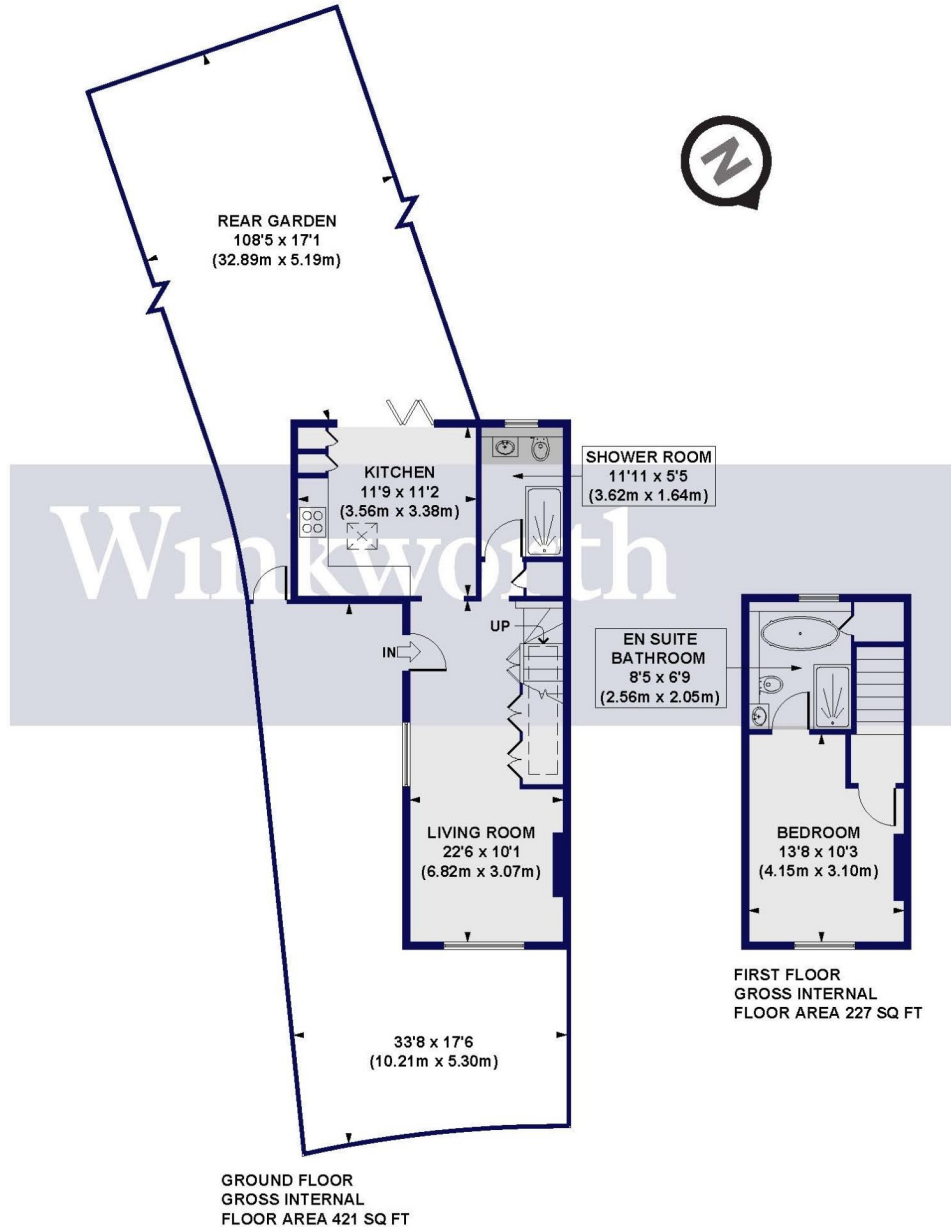

Upstairs, there is a spacious double bedroom and a luxurious en-suite bathroom, previously the second bedroom. The bathroom enjoys a four-piece suite, including a free-standing pebble bath. Both the ground floor shower room and the first-floor bathroom benefit from underfloor heating.

Outside, the property boasts an idyllic south-facing rear garden, extending just over 100' in length, while at the front of the house, there is a generously sized hardstanding.

We highly recommend a viewing to fully appreciate the standard of accommodation offered by this lovely property.
