SERVICES - Water and Electricity are connected there is no gas in the village.

Owners Comments - Red Sails has, for 25 years, provided our family with a haven of peace and tranquillity, enabling much needed periods of relaxation and sometimes recuperation. Situated on the outskirts of Stoke Fleming, which is a vibrant village in an Area of Outstanding Natural Beauty and having views across Start Bay, the property is in a very tranquil position enjoying dark skies and lovely sunrises. There are bus stops to both Dartmouth and Plymouth near the end of the road with the Plymouth route taking you to Blackpool Sands (should you not fancy the 20-minute walk) and on through delightful coastal villages to Kingsbridge then cross country to its destination. Red Sails has an attached garage (which has always housed our boat) and parking for a couple of cars together with a block built store/workshop serving the grassed garden to the rear which is accessed via French doors from the lounge. The house has recently undergone a full refurbishment by local tradesmen, including fitted kitchen and shower room, and has an up-to-date smart electric heating system plus new mains pressure plumbing (great for the shower), whilst full double glazing keeps the house warm when needed.
