LOCATION: Alexander Avenue is the best street in the Dobree area. This location just to the north of Kensal Rise has become very popular recently as buyers move up from Queens Park and Kensal to find more space for their money. Locals here have the choice of Willesden Green Station on the Jubilee Line, or traveling down Chamberlayne Road to Kensal Rise overground and east across London from there. There are some local shops nearby on Sidmouth Road but most will head to the amenities on Chamberlayne Road for its array of shops, pubs and restaurants on offer.
