Substantial and spacious family home with double garage

This substantial and spacious family home complete with solar panels and storage battery is located in a small, well-regarded development within the popular village of Sutton Scotney. The property is in catchment of South Wonston and Henry Beaufort schools.

The welcoming hallway provides access to the downstairs accommodation. On the left is the inviting sitting room with dual aspect windows providing an abundance of light, a wood burner and double doors leading out to the large conservatory which spans the width of the property. The dining room is located to the right, adjoining the modern kitchen and therefore offering the scope to knock through and combine the two spaces into a kitchen/diner. The kitchen itself features an induction hob, integrated dishwasher and space for a freestanding fridge freezer, while adjacent is the convenient utility room with sink, storage and space for a washing machine. Doors from the kitchen lead out to the conservatory which is a versatile space with sets of double doors providing access to the garden - a lovely area for seating or dining overlooking the garden. A downstairs toilet is located beneath the staircase.

Stairs rise to the first floor where there are four bedrooms. The master bedroom and bedroom two benefit from en-suites, while a large four-piece family bathroom is located to the front of the property. Further stairs lead up to the loft conversion where bedrooms five and six are located - both are a great size with bedroom six enjoying an en-suite shower room. Triple glazed Velux windows provide an abundance of light to both bedrooms and both are serviced by separate electric heating. This floor level is a flexible area that would be a great space for older children or for use as the master bedroom.

Outside, the large driveway has an electric vehicle charging point and the double garage provides plenty of storage. To the rear of the property is a private garden that wraps around the side of the house. Mostly laid to lawn, there are also vegetable beds, a pleasant seating area and a lovely natural pond perfect for wildlife situated to the side of the garden.
