## DESCRIPTION:

We are delighted to offer this character 4 bedroom semi detached family home. The property is located by the junction with Lyndale Avenue, a much sought-after road ideally situated for access to Golders Green and Hampstead, where prices are generally much higher.

The property which has been under the same ownership for a considerable period of time has excellently sized accommodation both on the ground floor and first floor. The converted garage has been converted to create a separate kitchen to the breakfast room and there is plenty of scope for further extension. The rear garden extends to in excess of 80' and there is a large driveway to the front.

On the 1<sup>st</sup> floor there are 4 bedrooms plus a family bathroom and separate wc. There is also a large, boarded loft room that could be fully extended to create an additional bedroom(s) if required (subject to planning consent). Overall the house is in fair condition, but updating is required. What is certain is that this could become a much enlarged delightful home with a great garden and it is being offered at a very realistic price.

The property is being sold Chain Free. Viewing is highly recommended.
