Victorian Terraced House, Superbly Positioned for the City Centre

This attractive period, terraced house is very well positioned, situated opposite the new leisure centre with all its facilities including gym, swimming pool and indoor sports courts as well as playing fields, a children's playground and Winchester athletics ground. The property is just a short walk from Winchester city centre, the lovely water meadows and St Catherine's Hill.

On entering the house, the hall leads to a light and airy sitting room with a fireplace and large window. The welcoming dining room is beyond, itself featuring a fireplace as well as a window looking out to the garden. A small flight of steps leads down to the modern kitchen which has fitted units providing plenty of cupboard space and a useful utility room adjoining it with space and plumbing for a washing machine. A door leads from the kitchen out to the garden.

Stairs rise to the first floor where there are two double bedrooms, both with feature fireplaces. A generous bathroom with bath and separate shower cubicle completes the first floor. There is potential to convert the loft space to create a further bedroom, subject to the relevant planning permission.

Outside to the rear of the house, the good-sized garden has a small, paved area directly outside the house and a useful shed to the rear. Permit parking is available.
