DESCRIPTION

Enter the flat on the ground floor and immediately to your left, you will find the sitting room to the front. This room is spacious and offers welcoming views on to the pretty tree-lined residential street to the front. Also on offer is a beautiful Victorian bay window, Victorian fireplace with bookshelves either side of the chimney breast, wooden floorboards, cornice and picture railing. There is ample space to accommodate furniture.

The main bedroom has wooden flooring and a fireplace, with a large sash window looking to the rear garden. There is more than enough space to accommodate a king-size bed with additional space reserved for free-standing furniture.

Continue down the hallway and you will find the modern bathroom. This bathroom offers bath with overhead shower, sink with vanity and large mirror, heated towel rail and W.C.

The second bedroom, whilst smaller than the main bedroom, provides enough space to accommodate a double bed and further free-standing furniture. Currently its primary purpose is to be used as a study but works well for both. Hallway storage has also been added outside of the bedroom.

The open-plan kitchen dining area at the rear of the flat is both bright and spacious with fantastic views over the rear garden. The kitchen is modern and very well-finished and is equipped with an electric fan-powered oven with gas hobs and ventilation, dishwasher, washing machine and sink. There is an abundance of storage found both above and below the kitchen units, as well as ample space to accommodate and dining table and chairs.

Access to the West-facing rear garden can be found from the kitchen. The garden is immaculately presented having been landscaped from front to back. Mature garden beds occupy the sides with well-kept lawns in between. At the very rear is a paved patio area perfect for entertaining and al-fresco dining during the summer months.

On street resident's permit street parking.
