Combining modern design with stylish finishes throughout, this home offers spacious and versatile accommodation, perfect for family living or entertaining.

Accommodation

The front door opens into a welcoming entrance hall that leads to the heart of the home. The sitting room is a bright and spacious area that connects seamlessly with the kitchen, creating an open and sociable layout. The kitchen itself benefits from modern appliances, ample workspaces, including a breakfast bar, and a separate utility room that provides access to the terrace and a very useful lean-to at the side of the property.

On the ground floor, there are three well-proportioned bedrooms. Both bedroom 2 and bedroom 3 benefit from their own ensuite shower rooms and walk-in wardrobe space. A study/bedroom 4 offers additional versatility for guest accommodation or another homeworking option, while a modern family bathroom completes the ground floor.

Upstairs, the principal bedroom suite offers a peaceful retreat, complete with a walk-in wardrobe and access to a spacious family bathroom. Also on this floor is bedroom 5, which provides an additional bedroom or work-from-home office space.

Gardens and Grounds

The property features a large terrace ideal for alfresco dining and entertaining, leading to a beautifully maintained level garden, which includes a formal seating area and a charming, covered pergola. There is a further storage shed at the side of the property, in addition to the practical lean-to.

To the front of the property, a large driveway offers ample parking, making this home as practical as it is attractive.
