DESCRIPTION:

We are delighted to offer this excellent example of the most desirable of houses on the Golders Green Estate. Cheviot Gardens is located off Pennine Drive and is with close proximity of Golders Green, Brent X and of course the now, newly created and exciting Brent X town with its own dedicated train station (Thameslink) which gets into London St Pancras in 12 minutes.

The property is one of the larger style units with the benefit of a garage and own driveway thereby having the best possible opportunity for further extension to the ground, first and second floors (all subject to obtaining planning consent).

Accommodation comprises on the ground floor, the 2 original reception rooms (now 1 through room) plus an additional living room with full width windows overlooking the rear garden. Also on the ground floor is the kitchen, a guest WC and of course the garage which in many similar houses has been converted to form an additional bedroom or sitting room/playroom.

On the 1st floor there are the regular 3 bedrooms and a shower room (originally a bathroom). Again as can be seen from the neighbouring house it is possible to partially extend over the garage on the 1st floor (probably to enlarge bedroom 3). Finally there is great potential to also extend into the loft to create a large master bedroom and ensuite bathroom.

To the rear of the house is a very well maintained and lawned rear garden with a shed to the rear. To the front of the house is a driveway with off street parking in front of the house for 2 cars.

Overall, this is a well priced family home, lovingly maintained and in good order that can either be extended now or at some later date if required.

The property is being sold 'chain free' and viewing is highly recommended.
