DESCRIPTION:

A gabled porch leads to a sitting room with a range, and there is a dining room with a tiled open fireplace. The kitchen has a sink, cupboards, appliance space and a built-in under stairs pantry, and a door to a bathroom (with bath, wash basin and airing cupboard.) From the bathroom, a door gives access to a rear vestibule with a separate WC. There is a glazed lean-to porch with space and plumbing for washing machine, and door to the garden.

Stairs from a central lobby lead to a split level first floor landing. Off the upper section there are 2 double bedrooms with exposed timber floorboards. Bedroom 2 has a roof inspection hatch. Off the lower landing, bedroom 3 has exposed timber floorboards and far reaching views.

There is vehicle and pedestrian access off Green Bottom. The neighbouring property, number 2, has a right of pedestrian access through the garden of number 1. A 5-bar gate leads to a driveway providing off road parking and an open-fronted timber garage/carport.

The cottage is set back from the road with a footpath meandering through a woodland garden (with established trees, grass banks, and a wealth of bulbs.) Adjoining the house is a lean-to store housing the oil fired central heating boiler. The rear garden is a wildlife haven with lawns and established shrubs and trees. The whole plot amounts to about 0.35 acre and offers a fair degree of privacy.
