Upstairs the principal bedroom has a dressing area, en suite shower room and balcony with commanding views over the garden to farmland beyond. There are three further bedrooms, two having built in wardrobes, and there is a family bathroom.

Outside

A five bar gate opens to a large gravelled drive which provides a generous parking and turning area with an oak framed barn with office, workshop and garaging. The gardens are enclosed by established hedges with mature shrubs and trees (all boundaries are fully stockproof). To the side of the house, there is a brick walled garden, large patio, herb garden and gravelled terrace. At the rear the pretty gardens are partly walled and south facing. Outbuildings include a summer house, greenhouse, chicken house, four stables with tack room and hay store. In all the gardens, paddocks and grounds are approximately 4 acres.
